Provisions concerning account related insurances

Insurance premium will be debited in HUF to the account associated with the insurance. If the insurance is linked to a foreign currency account, and the premium is debited to such account, the amount of the premium (denominated in HUF) will be converted into the relevant foreign currency at the foreign exchange mid rate quoted by the Bank at 14:30 p.m. on the due date of payment.

As insurance premium is denominated in HUF, and the exchange rate applied is variable, if the premium is settled from a foreign currency account the amounts converted into the relevant currency on the different dues dates may differ from one another.

For further terms and conditions please consult the related Terms & Conditions of the product.

Incoming foreign exchange payments without conversion, received directly from nostro bank or as SEPA credit transfer until 18:00, are processed on receipt day; received from other banks or non SEPA credit transfer are processed on the day of receiving credit advice from nostro bank, but not earlier than receipt day.

Incoming payments received after the above mentioned Cut off Times are processed on the next banking day.

The payments are processed with normal priority based on our standard processing except any other disposition from client. Excluding orders in EUR without conversion the deadline of receiving orders to be executed on the same business day and the deadline within the business day of receiving orders are considered the same.

In the case of payments not in EUR initiated by the Customer in favour of bank accounts registered in the Member States of the EU, or in Switzerland, Norway, Iceland or Liechtenstein, and in the case of payments initiated by the Customer in favour of bank accounts registered in Turkey or the United Arab Emirates, the Customer shall bear an obligation of identifying the beneficiary's International Bank Account Number (IBAN), as well as the SWIFT code (BIC or Bank Identifier Code) of the beneficiary's account-keeping bank for the Bank when giving the payment order.

The Bank shall have the right to reject fulfilling the payment order until the Customer has provided a faultless IBAN to the Bank. All emerging costs related to the invalid or not provided IBAN charges the Customer.

Ad hoc payment orders given within cut-off time in FCY with conversion are processed on the day the amount is ensured. The amount is calculated with the retail exchange rate defined daily once after 2:00 PM for outgoing payment orders taking into account the type of the order (standard, urgent, extra urgent). Payment orders will be accounted on the contracted day after the exchange.

In case of incoming FCY payment in non-EEA payment operation the amount can be charged before incoming to the Bank. The costs debited on the amount of the ad hoc payment orders are not taken over by the Bank. In case of payment operation within EEA, customers are not charged with these costs.

The Bank can assume obligation for the fulfilment of outgoing ad hoc FCY payment in the currency determined by the customers, if beneficiary financial institute keeps an account in the currency of the payment

As regards any issue concerning the receiving and fulfilment of payment orders that is unregulated in this section, the general rules set forth in the Bank's business regulations shall be governing.
